

## Meet REISA's new Community Liaison Officer

We are delighted to announce the appointment of Nomfundo Mpompo as the new Community Liaison Officer (CLO) of REISA. She's an important link between the solar project and the surrounding beneficiary communities.

She joins REISA from The Department of Social Development and brings with her a wealth of experience in community development.

"I have a strong passion for Community Development and believe I am an asset for the Gamagara communities with the experience I have gained over the years. I am very excited for the new opportunity that came my way, as I will be exposed to new challenges and opportunities." **Nomfundo Mpompo**

## Gamagara Disaster Management Intervention

REISA handed over 50 Blankets as well as 50 Basic First Aid Kits to the Disaster Management Unit at the Gamagara Local Municipality. This is a proactive initiative for and when disasters occur within the Gamagara Communities, as we are aware that during the winter season houses are likely to burn down. We intend to continue supporting the Disaster Management Unit on an annual basis.

"Gamagara Local Municipality sincerely appreciates your donation of Disaster Management relief items. We believe that Disaster management should be everybody's business. Gratitude for showing us that your team believes in such a notion." - **Mrs Dineo Seetile, Disaster Management Unit Manager.**

## Ubuntu Schools Project: School Leadership Team Building

The Ubuntu Schools Project hosted teachers and principals as part of the School Management teams at a leadership and team building session at Duin in die Weg Guest Farm (Upington) (location). The aim of the programme was to improve the working relationship within these leadership teams. Activities included group activities where the Social Workers observed communication, Types of leadership styles, delegation of tasks, etc.

"I would like to appreciate this great work you are doing for our schools. I hope you understand the impact your giving hand is doing in all of our communities. Thank You!" **Teacher from Deben Primary School**

## Youth Skills Development

The Youth Skills development programme is currently in its second phase. 25 young people are participating in a 6 months training programme. So far, the participants have completed 3 modules; which includes Social Skills, Job Skills and Community Youth.

The outcome of the programme is to support entry into the job market and realize entrepreneurial dreams.

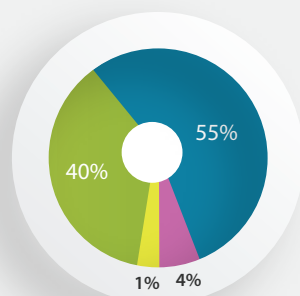

"I am so grateful about this programme "Micro-Genesis. It has brought me fruitful information by developing and enriching my skills and knowing myself better. Thank you very much." - **Lesego Olyn, a beneficiary of the programme.**
